Proceedings of the Government of Mysore,

READ—

Annual Report on the working of the Stationery Department for the year 1898-99.

No. 13136-75—M. F. 24-94, DATED BANGALORE, 1ST JUNE 1900.

ORDER THEREON—Mr. H. H. Sparkes continued to be in charge of the Stationery Department until the end of September 1898, when he was relieved by the present Superintendent Mr. T. T. Leonard. The value of stock on hand at the beginning of the year under review was Rs. 46,468-6-8 to which was added stock of the value of Rs. 90,303-12-4 making a total of Rs. 1,36,772-3-0 while the cost of issues was Rs. 1,03,811-2-1, leaving a balance of stock at the end of the year of the value of Rs. 32,961-0-11.

2. The value of goods received from England aggregated Rs. 22,597-1-5 while local purchases of country articles were made to the extent of Rs. 58,074-11-11 as against Rs. 19,710-11-5 and Rs. 57,761-9-10, respectively, in the previous year. Certain Europe articles were also purchased locally at a cost of Rs. 1,335. The cost of stationery supplied to all the Public Departments amounted to Rs. 43,182-3-10 as against Rs. 37,324-1-1. This increase was due partly to the formation of several new offices and partly to the purchase of typewriters with a view to facilitate office work. The value of papers, &c., supplied to the Press for printing purposes amounted to Rs. 58,035-6-2 as against Rs. 43,324-3-6 in 1897-98, this large increase of Rs. 14,711-2-8 being attributable in a measure to the heavy demands from the Plague Department which is not likely to recur in future years.

3. It is observed that much inconvenience is caused and unnecessary expenditure entailed in consequence of the usual Annual Indents not being forwarded in due time as required in the revised rules regarding the supply and use of stationery articles. All Heads of Departments are requested to note the above fact and to arrange for the punctual transmission of indents.

4. The Stationery Depot which formed a part of the Dewan's office was, during the year under review, constituted into a separate department, and the establishment thereof revised. The cost of the establishment is Rs. 248 per mensem, and the allowance for contingencies Rs. 700 per annum.

If additional workmen are required they should be entertained, and what stationery may be required should be taken from the Stationery Depot and accounted for to the Census Superintendent who will arrange to have stock replenished by purchases effected out of funds placed at his disposal. An imprest of Rs. 100 is hereby sanctioned to be placed with the Superintendent of the Government Press for expenditure on Census work, to be accounted for in bills which should be submitted in due course to the Census Superintendent for sanction, and will be subject to the usual audit.

With reference to the above, has the honor to state that Revenue Probationers are not taluk officials and their right to draw travelling allowances is not restricted by the terms of clause (b) of Article 532 of the Mysore Service Regulations.

Docket No. 350-98, dated 22nd July 1898, from the Deputy Commissioner, Kolar district, submitting for sanction a travelling allowance bill for Rs. 50-8-0 on behalf of M. P. Viswanatha Rao, Revenue Probationer, attached to his district, for the month of June 1898, and stating that the daily batta of Rs. 3 charged therein is based on the daily batta allowed to Amildars.

1. Report on Vaccination in Mysore for 1898-99.
2. Report on the Vaccine Institute, Bangalore, for 1898-99.

No. 13584—MIS. 3797, DATED BANGALORE, 22ND JUNE 1900.

ORDER THEREON—The total number of persons vaccinated was 36,515 against 101,323, or 64,808 less than in the previous year. This large decrease was due to the prevalence of plague in several parts of the State and to the fact that people were afraid lest under pretence of vaccination they would be inoculated with the plague serum. There were 36,047 cases of primary vaccination, of which 32,141 were successful, the corresponding figures for the previous year having been 99,460 and 88,195, respectively. The number of successful cases was 89·16 per cent of the number of primary vaccinations against 88·67 in 1897-98. The number of re-vaccinations was 468 against 1,863 in the previous year, and the number successful under this head was 233 or 49·78 per cent.

2. The number of deaths from small-pox during the year under review was 4,278 against 7,231 in the previous year, showing a perceptible decrease of 2,953 and forming 4·6 per cent of the total number of deaths from all causes.

3. The cost of the Department excluding that of the Vaccine Institute was Rs. 19,962-7-0 against Rs. 20,230-8-3, and the average cost of each successful case was Re. 0-10-0·73 against Re. 0-3-8 or Re. 0-6-0·9 more than the previous year. The increase in the average cost was due to the smaller number of operations performed during the year under review.

4. *The Vaccine Institute.*—The total quantity of Lanoline Vaccine manufactured and issued during the year was enough for 306,944 cases against 342,557 in the previous year. Of the quantity manufactured, what was enough for 62,146 cases was distributed for use in the State, and the remainder supplied to stations outside the State. A proposal made by the Senior Surgeon and Sanitary Commissioner for enlarging the scope of the Vaccine Institute, so as to supply Lanoline Vaccine to the District Fund and Municipal Boards of the Madras Presidency on contract for a term of years, was negatived by Government in view of the heavy outlay involved, and the supply to those institutions has accordingly ceased from 1st April 1900.

5. The total cost of maintaining the Institute was Rs. 12,250-14-3, while the realizations amounted to Rs. 19,169-7-3, leaving a profit to the State of Rs. 6,918-9-0 against Rs. 8,514-2-0 in 1897-98.

Letter No. 8132, dated the 29th May 1900, from the Plague Commissioner in Mysore, stating that in several towns and villages there has been a tendency to allow re-building on sites from which houses have been removed after being condemned by the Plague authorities; that the re-building had in some instances been permitted without proper consideration and by authorities incompetent to give an opinion on sanitary matters; that the good work done during the Plague season at so much cost to the State will be nullified, if re-building is allowed without proper control, and requesting the issue of a Circular Order to the Deputy Commissioners of Districts and Presidents of Municipal and Local Fund Boards impressing on them the desirability of seeing that no house is allowed to be re-built on sites from which houses have been removed under the Plague Regulations unless the Local Sanitary authority has certified that re-building may be permitted; and that, when such permission is given, the conditions imposed by the Sanitary authorities are strictly attended to.

No. Pg. 1400-8, DATED, CAMP MYSORE, 25TH JUNE 1900.

ORDER THEREON—Communicated to the Deputy Commissioners of Districts and Presidents of Municipal and Local Fund Boards, with a request that the suggestions of the Plague Commissioner, as above, may be given effect to in the case of houses which have been demolished under the Epidemic Diseases Regulations. Their attention will be drawn to Rule 3 of Section III of the Village Sanitation Rules.

EDUCATION

Proceedings of the Government of Mysore,

READ—

Letter No. 11499—552, dated 1st June 1900, from the Inspector General of Education in Mysore.

I have the honor to inform you that K. T. Govindachar, Head Clerk of the Local Examination Office died on the 23rd May last. The Manager of the Local Examination represents that the work of the office has been growing at a rapid rate from year to year and requests that a third writer may be employed. As a matter of fact to carry on the work a temporary third writer has to be necessarily employed at present for almost five months every year who is paid from the Examination contingent charges. Under these circumstances I request that Government will be pleased to sanction a revision of the office establishment as shown below :—

Present Establishment.			Revised Establishment.

No. 149-50, DATED, CAMP MYSORE, 18TH JUNE 1900.

ORDER THEREON—The proposed revision of establishment, which involves no extra cost, is sanctioned with effect from 1st July 1900. The Inspector General will be good enough to report how he proposes to provide for the present second clerk on Rs. 30.

Government Proceedings No. 9760—Ed. 385, dated 23rd February 1900, observing that, in the case of the proposed Sanskrit School at Aghalaya in the Krishnarajpete taluk, if the amount of subscriptions be increased so as to yield, by deposit in Government of India Securities or in the Government Savings Bank, Rs. 90 a year, an equal sum will be given from the Village School Fund as a grant-in-aid so as to ensure the permanent maintenance of a Master on Rs. 15 per mensem.

Letter No. 11131—526, dated 19th May 1900, from the Inspector General of Education in Mysore.

With reference to para 2 of Government Order No. 9760—Ed. 385 of 23rd February 1900, I have the honor to inform you that the people of Aghalaya represent their inability to invest in Government of India Securities or to deposit in the Government Savings Bank an amount that would yield Rs. 90 a year as interest, but are willing to pay into the Treasury Rs. 90 a year to the credit of the Village School Fund, if Government are pleased to sanction for each payment of Rs. 90 a monthly grant of Rs. 15 tenable for a year. The people have got Rs. 600 in hand which will suffice for more than six years' payments into the Treasury, and they hope to collect more subscriptions from time to time so that the proposed Sanskrit School may be maintained for a longer period than six years. Under these circumstances I recommend that the people's request may be granted and the benefit or Sanskrit education, which they so much desire, may be given to their children.

No. 151-2, CAMP MYSORE, DATED 18TH JUNE 1900.

ORDER THEREON—Under the circumstances represented, the Government are pleased to approve of the Inspector General's recommendation and sanction, with effect from 1st July 1900, a grant of Rs. 15 per mensem in aid of the Sanskrit School proposed to be opened at Aghalaya in the Krishnarajpete taluk, provided the amount of Rs. 600 reported to have been already collected by the people is forthwith recovered and deposited in the Savings Bank or credited to the Village School Fund at the option of the contributors.

2. When the said amount is exhausted and if further annual payments are not made in advance, the grant-in-aid sanctioned above will cease.

Letter No. 11648-9—557, dated 12th June 1900, from the Inspector General of Education in Mysore.

I have the honor to inform you that the inhabitants of Nagar in Nagar taluk have subscribed Rs. 120, being half of the cost of English instruction for a year and deposited the amount in the Taluk Treasury at Nagar. They ask for the opening of an English School at Nagar. As Nagar is a pretty large village I beg to recommend that a monthly grant of Rs. 20 for a year may be sanctioned from the Village School Fund for the English School in that village, in accordance with the orders contained in para 2 of Government Proceedings No. 162-172¾—Edn. 11, dated 4th July 1896.

No. 208-9, DATED, CAMP MYSORE, 23RD JUNE 1900.

ORDER THEREON—A monthly grant-in-aid of Rs. 20 for one year, with effect from 1st July 1900, is sanctioned as recommended. The subscriptions deposited in the Treasury, namely, Rs. 120, should be credited to the Village School Fund.

2. If, in every succeeding year, a similar contribution of Rs. 120 is paid up by the inhabitants of Nagar in advance and credited to the Treasury, the grant-in-aid sanctioned above will be continued.

Letter No. 752, dated 8th February 1900, from the President of the District Fund Boards, Mysore district, submitting the District Fund budget estimates of the French Rocks Circle for 1900-1901.

No. 13093-103—L. F. 43-99, DATED BANGALORE, 1ST JUNE 1900.

ORDER THEREON—The income under all heads for 1900-1901 is estimated at Rs. 43,021 against Rs. 42,954 the actuals of 1898-99 and Rs. 43,090 the sanctioned estimate for 1899-1900. The estimate is approved.

2. *Opening Balance.*—In lieu of the estimate of minus Rs. 4,026 proposed under this head, the correct balance on the 1st July 1900 arrived at as per particulars shown below will be adopted in the present budget.

	Rs.

Estimated closing balance on 30th June 1900	4,974

EXPENDITURE.

3. *A. Public Works to be executed by Public Works Department, II Repairs.*—The increase of Rs. 1,500 proposed under this head is on account of provision made under "Reserve" for minor works. The estimate is passed.

4. *B. Public Works to be executed by the Revenue Department.*—For want of funds, the present budget makes no provision for works under this head. The District Fund Board is, however, at liberty to apply for a re-appropriation to this head of such portion of the estimate under "Construction of cattle pounds" as it can conveniently spare.

5. *C. Civil Charges, I. Office Establishment.*—The correct provision that has to be made under this head on account of the District Fund quota of the cost of the President's office establishment and of their pensionary contribution is Rs. 740 and not Rs. 600 as entered in the budget. The correct amount will be entered and the estimate raised from Rs. 892 to Rs. 1,032.

6. *IV. Midwives.*—An increase of Rs. 30 is provided for the midwife attached to Nagamangala at Rs. 2-8-0 per mensem. It is not stated when and under what authority the pay of the midwife was raised. Pending information the provision will be retained.

7. The other items call for no remarks.

The District Fund budget estimates of the Shimoga Local Fund Circle for 1900-1901, received with the President's letter No. 818—679, dated 17th March 1900.

No. 13124-8—L. F. 45-99, DATED BANGALORE, 1ST JUNE 1900.

ORDER THEREON—The total income for the year 1900-1901 under all heads is estimated at Rs. 88,574 against Rs. 80,086 the actuals of 1898-99 and Rs. 79,750 the sanctioned estimate for 1899-1900.

2. *76 Per Cent of Local Cess.*—The total demand, including arrears on 1st July 1900 under this head, amounts to Rs. 81,274, which is entered as the estimate for 1900-1901. With reference to this, the President is requested to state whether he expects to be able to collect the whole of this amount within the ensuing year; and, if not, what is the amount which he anticipates as likely to remain outstanding at the end of the year. Pending information, the estimate will stand.

3. *Opening Balance.*—It is not clear how the figure under his head has been arrived at. With reference to the actual balance on 1st July 1899 and the sanctioned estimated for 1899-1900, a sum of Rs. 1889 will be entered under this head as per particulars given below:—

CIVIL CHARGES.

5 *I. Office Establishment.*—The correct provision that has to be entered under this head is Rs. 1,300 and not Rs. 1,096 as proposed. The former figure will be adopted in the budget.

	Rs.
1. Contribution towards pay and pension of the District Office establishment as per Proceedings No. 5212-20—L. F. 3-97, dated 31st October 1899.	1,140

3. Contingencies	60
Total ...	1,300

6. *III. Hospitals and Dispensaries.*—The modifications proposed under this head involving a net decrease of Rs. 80 are given below. The variations under compounders is due to the increments to their salaries earned by certain compounders under Government Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896, or to the employment of others drawing less pay. The decrease under "Branch Dispensary" is due to the dispensary having been closed and the consequent omission of provision of Rs. 288 sanctioned for 1899-1900 and the increase under "Furniture" to provision made in the present budget for the purchase of furniture for the several Local Fund dispensaries. The provision is approved.

7. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The provision newly made on account of the salaries of sweepers at Rs. 5 each for the musafirkhanas at Hosur and Agumbe accounts for the increase in the estimate under this head, which is passed.

8. *IX. Contributions.*—The increase under this head is due to the provision made for the balance of contribution payable towards the cost of dispensary buildings in the district. The estimate is allowed.

9. The other items call for no remarks and are passed.

READ—

The District Fund Budget estimates of the Hassan Local Fund Circle for 1900-1901, submitted with letter No. 694, dated 19th April 1900, from the President, District Fund Board, Hassan.

No. 13112-23—L. F. 44-99, DATED BANGALORE, 1ST JUNE 1900.

ORDER THEREON—The income for the year **1900-1901** under all heads is estimated at Rs. **72,049** against Rs. **71,026** the actuals of **1898-99** and Rs. **73,874** the sanctioned estimate for **1899-1900.**

(2) *Seventy-six Per Cent of the One-Anna Cess.*—The entire demand under this head, *viz.*, Rs. 60,423-9-0, is expected to be collected during the year, and that amount has accordingly been entered as the estimate and will be retained.

(3) *Tolls.*—The diminished estimate under this head is stated to have been based on the actuals of the first six months of the year **1899-1900** and is passed.

EXPENDITURE.

(4) *A. Public Works to be executed by Public Works Department.*—The variations noted below in the mileage allotments for the maintenance of District Fund roads are proposed in the budget under "II Repairs" in accordance with the District Fund Board's resolution, dated 12th February 1900. The provision will be retained, pending the issue of final orders on a separate reference (No. 702, dated 20th April 1900) which the President has submitted in regard to the proposed modification in the mileage allotments :—

(5) *B. Public Works to be executed by Revenue Department.*—The estimate under this head includes provision for incomplete works (Original Rs. 1,700 and Repairs Rs. 500), and is allowed.

CIVIL CHARGES.

(6) *I. Head Office.*—The decrease under this head is chiefly due to the omission of the usual provision on account of contribution towards the cost of establishments maintained in the Dewan's and Comptroller's offices which, under Government Proceedings No. 7605-13—L. F. 67-97, dated 4th January 1900, is debitable to Provincial Funds. The estimate is approved.

(7) *II. Medical Scholarships.*—The diminished provision under this head will be retained, pending the receipt from the Senior Surgeon of a statement showing details in regard to the number and rate of scholarships, fees, &c., payable to students undergoing training in the Madras Medical College for the grade of Hospital Assistants, as also the charges payable on account of pre-collegiate students, if any.

(8) *IV. Midwives.*—The provision made for the pay of a midwife proposed to be entertained at Yeslur accounts for the increase in the estimate under this head, which is sanctioned.

(9) *VI. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The increase under this head is chiefly due to the provision made for the salaries of sweepers to be entertained in the musafirkhanas at Hanbal and Chikmallenahalli and for furniture to the 3rd class travellers' bungalows in the district. As these items have already been sanctioned by Government, the provision made is approved.

(10) The other items call for no remarks.

(11) The budget estimates of receipts and expenditure for 1900-1901 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below :—

Letter No. 1012, dated the 18th April 1900, from the President of the District Fund Board, Bangalore Circle, submitting the Supplemental District Fund Budget estimates of the Circle for 1899-1900.

No. 13210-4—L. F. 45-98, DATED BANGALORE, 2ND JUNE 1900.

ORDER THEREON—The modifications proposed in the supplemental budget received with the above are given below :—

		Rs.
1.	Opening Balance	+25,843
	EXPENDITURE.	
2.	A. Public Works to be executed by Public Works Department ...	+ 3,696
3.	B. Ditto by Revenue Department .	+25,139
	C. CIVIL CHARGES	
I.	Office Establishments	— 590
III.	Hospitals and Dispensaries	+ 591
VI.	Conservancy and Sanitary Charges	+ 344
IX.	Contributions	— 1,000
X.	Miscellaneous	+ 150
	Net Increase ...	28,330

2. *Opening Balance.*—The increase under this head is due to the actual balance according to the Comptroller's accounts for 1898-99 having been entered in the present budget in lieu of the approximate figure adopted in the original budget.

EXPENDITURE.

3. *A. Public Works to be executed by Public Works Department.*—The figures proposed in the re-appropriation statement submitted with the President's No. 848, dated 12th March 1900, are entered under this head. Pending the issue of final orders on that reference, the increased provision will stand.

4. *B. Public Works to be executed by Revenue Department.*—The lump sum provisions newly made under this head are stated to be absolutely necessary and are passed, subject to the submission of detailed lists of works and of estimates for such works as are necessary.

CIVIL CHARGES.

5. *I. Office Establishment.*—As under Government Proceedings No. 7605-13—L. F. 67-97, dated 4th January 1900, the cost of establishments maintained in the Dewan's and Comptroller's offices is debitable to Provincial Funds, the usual provision made in the original budget on that account is omitted in the present budget. This accounts for the decrease in the estimate under this head, which is approved.

6. *III. Hospitals and Dispensaries.*—The provision newly made for two-thirds of the cost of the dispensary, proposed to be established in the town of Tyamagondlu, accounts for the increase under this head, which is retained, pending the issue of final orders in regard to the establishment of the dispensary.

7. *VI. Conservancy and Sanitary Charges.*—The present budget provides for the salaries of sweepers for Kolya and Bidadi, sanctioned in Proceedings No. 5712-3—L. F. 2-97, dated 17th November 1899, and also for the pay of the overseer and sweepers attached to the Hessarghatta Water-works (*vide* this office docket No. 3939—L. F. 18-99, dated 22nd September 1899). This accounts for the increase under this head, which is allowed.

8. *X. Miscellaneous.*—The increased provision under this head includes Rs. 150 for the purchase and maintenance of an Amrut Mahal bull for the Devanhalli taluk but does not include the sum of Rs. 1,000 sanctioned in Proceedings No. 9194-5—L. F. 34-99, dated 12th February 1900, for the purchase of instruments and materials for measuring village sites. The omission will be supplied and the estimate under this head raised by Rs. 1,000.

9. *IX. Contributions.*—The explanation furnished for the decrease under this head is not clear. The Proceedings No. 389-40—22-23, dated 2nd May 1899, quoted in support of the reduction relates to Provincial roads within municipal limits, and not to the District Fund roads therein, for which payment of the usual contribution of Rs. 1,000 should be continued (*vide* Proceedings No. 10033-42—L. F 77-93, dated 6th March 1900.)—The provision made will therefore be raised by Rs. 1,000.

10. The supplemental budget estimates as now revised will stand as per particulars given in the accompanying appendix, of which an abstract is given below :—

		Rs.
(1)	Estimated receipts for 1899-1900	72,105
(2)	Opening Balance on 1st July 1899 . .	40,116

(B)	Ditto Revenue Department ...	25,139
(C)	Civil Charges	17,475
	Total Expenditure .	98,650

READ—

Letter No. 530, dated 7th February 1900, from the President, District Fund Board, Kadur District, submitting the District Fund Budget estimates of the Kadur Circle for 1900-1901.

No. 13407-12—L. F. 16-99, DATED BANGALORE, 18TH JUNE 1900.

ORDER THEREON—The District Fund Receipts under the several heads are estimated for 1900-1901 at Rs. 52,000 against Rs. 50,635 the actuals of 1898-99 and Rs. 52,633 the sanctioned estimate for 1899-1900.

2. *IV. Ferry Collections.*—The decrease under this head is due to the approaching completion of the Tadasa Bridge, after which the ferry will cease to work. The estimate is approved.

3. *VII. Contributions.*—The source from which increase is expected under this head should have been explained. The estimate is however passed.

4. *Opening Balance.*—Excluding from the total receipts the estimated minus balance on 1st July 1900, the sum available for expenditure during 1900-1901 is Rs. 50,732 of which all but Rs. 171 is proposed to be expended during the year.

5. *A. Public Works to be executed by the Public Works Department.*—Owing to the insufficiency of funds, the marginally noted reductions should be made. The following increases are proposed on account of the maintenance of roads specified against each.

	Proposed. Rs.	Sanctioned. Rs.
I. Original Works—		
Improving Kotegehar-Kalasa road.	1,000	500
II. Repairs—		
Reserve grant .	500	. .

Name of road.	Provision for 1899-1900.	Proposed estimate for 1900-1901.	Increase proposed.
	Rs.	Rs.	Rs.
1 Shimoga-Yedehalli road	11 miles at 50 = 550	10½ miles at 150 = 1,575	1,025
2 Extension of 16 miles of the Bababudan-hill road.	20 miles at 60 = 1,200	36 miles at 60 = 2,160	960
3 Balur-Magundi road	11 miles at 40 = 440	11 miles at 50 = 550	110

6. *Items 1 and 3.*—The mileage rates of these roads having been raised from Rs. 50 to 150 and from Rs. 40 to 50 in Proceedings No. 616-8—L. F. 52-98, dated the 11th July 1899 and No. 10126-8—L. F. 46-99, dated 8th March 1900, respectively, the increased provisions made for the same are passed. It should, however, be explained whether the actual length of the Shimoga-Yedahalli road is only 10½ miles instead of 11 miles as entered in the budget for 1899-1900.

7. *Item 2.*—It is stated that the extension by 16 miles of this road is very nearly completed and that the same will be opened for traffic this season. The provision made accordingly for the maintenance of this road from next year will be retained.

8. Owing to the reduction in the provision for works the estimate under "III Establishments" will be reduced by Rs. 170.

9. *B. Public Works to be executed by Revenue Department.*—Owing to the inadequacy of funds, no provision has been made under this head for works to be executed by departmental agency. It should be explained whether the salaries of Work Inspectors employed in the district can be met entirely from Municipal Funds and, if not, whether the number of Inspectors is proposed to be reduced so as to meet the requirements of municipal works alone.

CIVIL CHARGES.

10. *Office Establishments.*—The provision on account of contribution towards the cost of establishments in the Dewan's and Comptroller's offices, which is debitable to Provincial Funds under Government Proceedings No. 7605—L. F. 67-97, dated 4th January 1900, is omitted in the present budget. The estimate is passed.

11. *III. Hospitals and Dispensaries.*—The variations proposed under this head are given below:—

		Rs
1	Increase to the compounder at Koppa	+ 24
2	Ditto watcrman at Mudigere	+ 12
3	Decrease to the compounder at Yedahalli ..	— 24
4	Decrease of allowance .	— 660
5	Ditto furniture .	— 40

12. *Item 1.*—This increase is entered in order to provide for the increment earned by the compounder in accordance with Government Proceedings No. 13250-1—Mis. 196, dated 30th June 1896.

13. *Item 2* having been sanctioned in Proceedings No. 11207-9—L. F. 46-99, dated 11th April 1900, the provision made for the same is passed.

14. *Item 3.*—The decrease is reported to be due to the employment of a new man on the minimum pay. The estimate is approved.

15. The marginally noted fixed allowances sanctioned to medical subordinates for visiting outstations for the purpose of rendering medical aid have been omitted in the present budget on the ground that they get a mileage allowance or that separate dispensaries are to be established at those stations. With reference to this, it is observed that, till such separate dispensaries are opened, the medical subordinates deputed on duty are entitled to the special allowance sanctioned for the purpose in addition to the usual travelling allowance. The President is therefore requested to state the place or places where dispensaries are likely to be opened before the commencement of the year 1900-1901. Pending information, the usual provisions will be retained.

READ—

The second revised District Fund budget estimates of the Chitaldrug Local Fund Circle for the year 1899-1900, submitted with the President's docket No. 633—601, dated 8th March 1900.

No. 13433-8—L. F. 53-98, DATED BANGALORE, 20TH JUNE 1900.

ORDER THEREON—The modifications proposed in the above are as follows :—

EXPENDITURE.

		Rs.
A.	Public Works to be executed by Public Works Department—	
	I Original works	—1,900
	III Establishments	— 350
B.	Public Works to be executed by Revenue Department	
	I Original works	+1,000
	II Repairs	+1,000
	III Establishment	+ 201
	IV Tools and plant	+ 150
C.	Civil Charges—	
	I Office establishment	— 264
	V Sweepers for 3rd class travellers' bangalows	+ 560
	VIII Refunds	— 50
	IX Contributions	+ 200
	X Miscellaneous	— 60

2. *Opening Balance.*—In lieu of the approximate balance of Rs. 23,672 adopted in the first revised budget, the actual balance at the end of the year 1898-99, according to the Comptroller's final accounts, *viz.*, Rs. 23,623, or Rs. 49 less, will be entered under this head.

EXPENDITURE.

3. *A. Public Works to be executed by Public Works Department.*—It is stated in the remarks column of the budget statement that, out of Rs. 6,000 provided under "I Original Works" in the current year's budget for the Davangere-Jagalur road, a sum of Rs. 3,000 is sufficient for expenditure during the current year, and that the balance of Rs. 3,000 will be distributed for the below noted works. It is presumed that item No. 3 to which Rs. 1,900 is assigned, is a work included under the head "B. Public Works to be executed by the Revenue Department." This explains the decreased estimate under "I Original Works" and under "III Establishments" which will be approved.

	Rs.
(1) For metalling the Vizapur-Oozni road	1,000
(2) Compensation payable for lands taken up for opening out Anagi-Hutchengidrug road . . .	100
(3) For important well and other works	1,900

4. *B. Public Works to be executed by Revenue Department.*—The enhanced provisions made under this head on account of well and other works of importance and of an urgent nature are passed.

5. *C. Civil Charges, I. Office Establishment.*—The decrease under this head is due to the omission—

(1) Of the provision for the cost of establishments maintained in the Dewan's and Comptroller's offices; and

(2) Of the travelling allowance of Rs. 100 provided for the District office establishment. The omission in the former case is in accordance with Government Proceedings No. 7605-13—L. F. 67-97, dated 4th January 1900 and is approved. The omission of the latter item, which is apparently a necessary one, has not been explained and, therefore, pending information, a sum of Rs. 100 will be entered under this head.

6. *V. Sweepers for 3rd Class Travellers' Bungalows.*—The increase of Rs. 560 provided under this head is stated to be on account of the pay of a care-taker sanctioned for the cart-stand at the Holalkere railway station and on account of furniture for 3rd class travellers' bungalows. The provision is passed, subject to the submission of a detailed bill of charges actually incurred on account of furniture.

7. *IX. Contribution.*—The increase provided under this head on account of repair of dispensary buildings will be allowed.

8. The other items call for no remarks and are passed.

9. The District Fund budget estimates of the Chitaldrug Local Fund Circle for 1899-1900 as now finally revised will stand as per particulars given in the accompanying appendix of which an abstract is given below :—

READ—

The District Fund Budget estimates of the Chitaldrug Local Fund Circle for 1900-1901 submitted with the President's letter No. 634—602, dated 8th March 1900.

No. 13449-55—L. F. 47-99, DATED BANGALORE, 20TH JUNE 1900.

ORDER THEREON—The Income under all heads for **1900-1901** is estimated at Rs. **41,940** against 43,417 the actuals of **1898-99** and Rs. 41,980 the sanctioned estimate for 1899-1900. The estimates are approved.

2. *Opening Balance.*—In lieu of the estimate of Rs. **11,898** entered in the budget under this head, the correct opening balance with reference to the accounts for 1899-1900 will be substituted.

3. *B. Public Works to be executed by the Revenue Department.*—The lump sum provisions proposed under "Original Works" and "Repairs," will be retained, subject to the submission of detailed lists of works and of estimates for such of them as require the sanction of Government.

CIVIL CHARGES:

4. *I. Office Establishment.*—The decrease under this head is due to the omission of the usual provision on account of the cost of establishments in the Dewan's and Comptroller's offices under the authority of Government Proceedings No. 7665-73—L. F. 67-97, dated 4th January 1900. The provision is passed.

5. *III. Hospitals and Dispensaries.*—The omission in the present budget of the provisions sanctioned in 1899-1900 on account of furniture for certain dispensaries accounts for the decrease in the estimate under this head, which is sanctioned.

6. *IV. Midwives.*—The decrease of Rs. 30 under this head, which should have been explained, is small and the estimate is approved.

7. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The provision newly made for the pay of the care-taker of the cart-stand at Arihallihatti, as sanctioned in Government Proceedings No. 6181-3—L. F. 53-98, dated 28th November 1899, as well as that for the purchase of furniture for 3rd class travellers' bungalows accounts for the increase in the estimate under this head, which is allowed.

8. *IX. Contributions.*—The large decrease under this head should have been explained. The estimate will, however, be retained.

9. The other items call for no remarks and are passed.

10. The District Fund Budget estimates of Receipts and Expenditure for **1900-1901** are sanctioned as per details given in the accompanying appendices of which an abstract is given below :—

READ—

The District Fund budget estimates of the Kolar Local Fund Circle for the year 1900-1901 submitted with the President's docket No. 644, dated 24th February 1900.

No. 13465-9—L. F. 40-99, DATED BANGALORE, 20TH JUNE 1900.

ORDER THEREON—The estimated Receipts under all items amounts to Rs. 75,850 against Rs. 77,698, the actuals of 1898-99 and Rs. 79,170 the sanctioned estimate for 1899-1900.

2. *Seventy-six per cent of Local Cess.*—The diminished estimate under this head, *viz*, Rs. 71,000, against Rs. 74,000, sanctioned for the previous year, is based on the actuals of 1898-99, and is passed. Particulars of the demand under this head should have been submitted by the President.

3. *Opening Balance.*—It is not clear how the estimate under this head has been arrived at. With reference to the actual balance on 1st July 1899, according to the Comptroller's account and the sanctioned estimates of Receipts and Expenditure for 1899-1900, a sum of Rs. 47,313 *will be entered under this head.

	Rs.
*Balance on 1st July 1899 ...	67,879
Estimated Receipts during 1899-1900 ...	79,170
Total ...	1,47,049

EXPENDITURE.

4. *Public Works to be executed by D. P. W.*—The provision under "II Repairs" includes the increased rate of mileage allotment from Rs. 60 to Rs. 80 sanctioned for the Kolar-Sompur road in Government Proceedings No. 6960-2—L. F. 7-98, dated 18th December 1899; but the increased allotment for the road, *viz*, Rs. 600, shown under details, does not appear to have been taken into account in arriving at the total under the head. The provision made for Reserve Minor Works will, therefore, be reduced from Rs. 4,138 to Rs. 3,538 in view to provide for the increased mileage allotment and at the same time to retain the total provision unaltered.

5. *B. Public Works to be executed by Revenue Department.*—The provisions made for original works and repairs as per details given below are passed:—

	Original Works.	Repairs.
	Rs.	Rs.
(1) Wells	6,050	2,650
(2) Tunnels and drains	900	50
(3) Mantaps and musafirkhanas . ..	950	600
(4) Roads and road drains	800	1,000
(5) Cattle pounds .	Nil.	500

CIVIL CHARGES.

6. *I. Office Establishment.*—In lieu of the estimate of Rs. 917 proposed under this head, a sum of Rs. 1,129, representing the correct quota payable from Local Funds towards the cost of the office establishment as per Government Order No. 5212-20—L. F. 3-97, dated the 31st October 1899, will be adopted in the present budget.

7. *V. Sweepers, &c., for 3rd Class Traveller's Bungalows and Musafirkhanas.*—The net increase of Rs. 264 under this head is due to the provision made for the employment of seven new kotwals on Rs. 7 per mensem and of a care-taker on Rs. 2 per mensem and to the omission of the provision for three

dandis and two care-takers, as particularized below. Each of these variations should be explained. Pending the submission of a separate reference and orders of Government thereon, the increased provision, which will be tentatively retained, should not be utilized :—

READ—

Letter No. 822, dated 28th April 1900, from the President, District Fund Board, Tumkur, submitting the District Fund Budget estimates of the Tumkur Local Fund Circle for 1900-1901.

No. 13479-84—L. F. 41-99, DATED BANGALORE, 20TH JUNE 1900.

ORDER THEREON—The estimated receipts under District Funds for 1900-1901 amount to Rs. 73,500 against Rs. 68,965 the actuals of 1898-99 and Rs. 73,150 the sanctioned estimate for 1899-1900.

2. *Seventy-six per cent of Local Cess.*—The increased estimate under this head, which is based on the Jamabandi of 1898-99, is passed.

EXPENDITURE.

3. *A. Public Works to be executed by Public Works Department.*—The modifications proposed in the mileage allotments for the maintenance of District Fund roads and in other items under "II. Repairs," are given below :—

Name of Road.	Sanctioned for 1899-1900.			Estimates for 1900-1901.		
	Length.	Rate.	Cost.	Length.	Rate.	Cost.
1. Hiriyur-Huliyar Road	6	80	480	6	60	360
2. Tumkur-Cholur Road	15	80	1,200	15	100	1,500
3. Tumkur-Maddur Road	43½	80	3,480	26 18	100 80	2,600 1,440
4. Bedrammanagudi-Huliyar Road	26	100	2,600	26	80	2,080
5. Tumkur Station Road	3	50	150	3	40	120
6. Bellavi Timmarajanahalli Road	5	50	250	5	35	175
7. Koratagere-Goribidnur Road	11½	50	575	10	50	500

It is not explained whether each of these modifications was approved of by the District Fund Board, nor have the circumstances under which they were considered necessary, stated. Pending the submission of a separate reference on the subject, with full explanation in regard to the necessity for each modification and the issue of final orders thereon, the estimate will be tentatively retained.

4. *B. Public Works to be executed by Revenue Officers.*—The estimate under this head, which includes an item of Rs. 4,000 on account of incomplete works of previous years, is approved.

C. CIVIL CHARGES.

5. *I. Office Establishment.*—The correct provision that has to be entered under this head works out at Rs. 1,553, as per details given in the margin, and not Rs. 1,480. The estimate will accordingly be modified.

(1) Salaries of District Office establishment ...	1,076
(2) Contribution towards pension ...	113
(3) Travelling allowances to clerks ...	100
(4) Contingencies ...	324
	1,553

It is noted that the usual provision to meet the contribution hitherto charged towards the cost of establishments in the Dewan's and Comptroller's offices is omitted in the present budget, as the same is chargeable to Provincial Funds in accordance with Proceedings No. 7605-13—L. F. 67-97, dated 4th January 1900.

6. *II. Medical Scholarships.*—The authority under which an increase of Rs. 93 is provided under this head should have been stated. The estimate will, however, be allowed pending explanation.

7. *III. Hospitals and Dispensaries.*—The decrease under this head is stated to be due to correct provisions having been entered in the present budget on account of the salaries of compounders of the several Local Fund dispensaries in the district. But it is not explained why the provision for the salary of the waterman attached to the Pavagada Dispensary has been reduced from Rs. 60 to Rs. 24. Pending information, the estimate will stand.

8. *V. Sweepers for III Class Travellers' Bungalows and Musafirkhanas.*—The provision of Rs. 360 sanctioned in the budget for 1899-1900 on account of the purchase of vessels for musafirkhanas has been omitted in the present budget which, on the other hand, contains a new item of Rs. 60 for the pay of a care-taker for the 3rd class travellers' bungalow at Gubbi. The authority under which the new item is entered should be quoted. Pending information, the estimate will stand.

9. The other items call for no remarks and are passed.

10. The budget estimates of receipts and expenditure for the year 1900-1901 are sanctioned as per details given in the accompanying appendices of which an abstract is given below :—

READ—

The Distric Fund Budget estimates of the Bangalore Local Fund Circle for 1900-1901, received with the President's letter No. 887, dated 15th March 1900.

No. 13678-90—L. F. 39-99, DATED BANGALORE, 25TH JUNE 1900.

ORDER THEREON—The estimated receipts for 1900-1901 under all heads amount to Rs. 72,653 against Rs. 70,052 the actuals of 1898-99 and Rs. 72,105, the sanctioned estimate for 1899-99.

2. *I. Seventy-six per cent of one anna cess.*—The enclosure **A** shows that no arrears are likely to remain outstanding at the beginning of the year 1900-1901 and the whole demand under this head is given as Rs. 66,552 in column 6 thereof, whereas the proposed estimate exceeds this amount by Rs. 691. Pending the receipt of information as to the source from which this additional income is expected, the estimate proposed will not be disturbed.

3. The sanctioned estimates for 1899-1900 under the below noted heads are repeated in the present budget, though the actuals for 1898-99 are much below the estimates as shown against each. It should be explained why the estimates under these heads may not be reduced with reference to the actuals. Pending information, the estimates will stand :—

		Actuals 1898-99.	Estimate for 1899-1900.
II.	Sale of stray cattle	727	1,200
III.	Fees for cattle trespass	2,262	3,000
VII.	Private contributions	100	240

4. *Opening Balance.*—In lieu of the estimate of Rs. 17,682 proposed by the President, a sum of Rs. 13,571 will be adopted as the correct amount under the head with reference to the actual balance on 1st July 1899 and sanctioned estimates for 1899-1900 :—

		Rs.
(1)	Actual Balance on 1st July 1899	40,116
(2)	Estimated Receipts for 1899-1900	72,105
	Total ...	1,12,221
(3)	Estimated Expenditure for 1899-1900	98,650
(4)	Estimated Balance on 30th June 1900	13,571

EXPENDITURE.

5. *A. Public Works to be executed by Public Works Department*—The provision under "II Repairs" includes increased rates of mileage allotments for the below noted roads as well as a reserve of Rs. 1,275 for minor works. The latter provision will be retained but that for increased rates of mileage allotments, which is of a permanent nature, will be disallowed, pending the special sanction of Government to be obtained on a separate reference showing the necessity for the increase proposed in each case. Owing to the reduction under "Works" the provision for establishment will be reduced by Rs. 301 :—

Details of works.	Budget for 1899-1900.		Budget for 1900-1901.	
	Miles.	Rs.	Miles.	Rs.
(*a*) Hoskote, Kadgodi, Anekal Railway feeder for 10 out of 30 miles.	10 at	50= 500	10 at	75= 750
(*b*) Bangalore-Mysore road *via* Kankanhalli 35 miles out of 44.	35 at	90= 3,150	35 at	120= 4,200
(11) Attibele-Muttikere road	3 at	50= 150	3 at	75= 225
(15) Bangalore-Varthur road	8 at	50= 400	8 at	75= 600
(17) Nelamangala, Golhalli, Dodballapur Railway feeder 5 out of 21 miles.	5 at	50= 250	5 at	80= 400
Total ...		4,450		6,175
Reserve grant ...		3,000		1,275

6. *B. Public Works to be executed by Revenue Department.*—The small provision of Rs. 1,343 proposed under "II Repairs" is allowed. But it is not clear why no provision is made on account of establishment charges at 10 per cent on the cost of works. Pending information a sum of Rs. 134 will be entered under "III Establishments" on this account.

C. CIVIL CHARGES.

7. *IV. Midwives.*—The provision made for the salary of an additional midwife proposed to be entertained in the new dispensary at Tyamagondlu accounts for the increase in the estimate under this head, which is allowed.

8. *VI. Conservancy and Sanitary Charges.*—Provision for twelve months is made in the present budget on account of the salaries of sweepers employed at Kalya and Bidadi, while in the sanctioned revised budget for 1899-1900 only seven months' charge was entered. This accounts for the increase under this head. The estimate is passed.

9. *IX. Contribution.*—The usual provision for the maintenance of District Fund roads within the limits of the Bangalore City has been omitted in the present budget under the erroneous impression that these roads are maintainable from Provincial Funds, under Government Proceedings No. 389-401--11-23, dated 2nd May 1899. As this order applies only to Provincial roads within Municipalities, other than those of the Bangalore and Mysore Cities and not to District Fund roads, the usual provision of Rs. 1,000 will be entered on account of contribution towards the cost of District Fund roads and the provision under this head raised to Rs. 4,250.

10. *X. Miscellaneous.*—The present budget repeats the provision of Rs. 100 sanctioned in the supplemental budget for 1899-1900 on account of the purchase of an Amruthmahal bull for the Devanhalli taluk. The necessity for the repetition of the provision should be explained. Pending information the estimate will be retained.

11. The other items call for no remarks and are passed.

12. The budget estimates of receipts and expenditure of the Local Fund Circle of Bangalore for 1900-1901 are sanctioned as per details given in the accompanying appendices of which an abstract is given below :—

Net Increase...	10,805	...

2. The increase under "Receipts" is chiefly under the three following items:—

	Rs.
(1) II. Tax on houses	3,000
(2) X. Miscellaneous—	
(*a*) Sale of houses and lands...	2,500
(3) (*m*) Contribution	520

The increase under items (1) is due to the revision of house-tax, as sanctioned by Government in their Proceedings No. 9412-4—L. F. 103-92, dated 15th February 1900; that under "(2) Sale of houses and lands," to the disposal of several of the houses and lands acquired for opening out congested parts of the City; and that under "(M) Contribution," to the entry of the correct amount under this head. It is noted that the sum of Rs. 50 shown under "Loom-tax" represents the arrears of previous years now being collected.

3. The decrease under other items of Receipts is attributed to the fact that the original budgetted amounts are not expected to be realized during the current year.

4. *Opening Balance.*—Under this head, the actual balance, Rs. 35,072 according to the Comptroller's account, has been entered instead of the approximate figure, Rs. 32,916, proposed in the supplemental budget.

EXPENDITURE.

5. *II. Head Office.*—The usual provision of Rs. 1,314 on account of contribution towards the cost of establishments in the Dewan's and Comptroller's offices has been omitted under this head in accordance with Government Proceedings No. 7605-13—L. F. 67-97, dated 4th January 1900. This accounts for the decrease in the provision under this head, which is sanctioned.

6. *IV. Conservancy.*—Provision has been made in the present budget for the salary of a sweeper for beef stalls sanctioned in Proceedings No. 9979-80—L. F. 73-98, dated 5th March 1900, and for the hire of two conservancy carts sanctioned tentatively for six months in Proceedings No. 2275-76—L. F. 73-98, dated 22nd August 1899, and now proposed to be employed permanently owing to the opening recently of several lanes and streets in the City.

7 *VI. Registration of Births and Deaths.*—Provision has been made under this head for the following new items:—

	Rs.
(1) 7 Matsaddis at 7 Rs. each for 3 months	147
(2) Allowance to 7 police constables ditto	42
(3) 1 Inspector on 25 + 10 per mensem	105

Item 2 will be disallowed as the same is not required at present, but the remaining two will be retained pending the issue of final orders on the President's communication No. 464, dated 27th February 1900, addressed to this office.

8. *VIII. Public Works.*—The revised provisions made on account of the incomplete works of previous years is sanctioned.

9. *XI. Miscellaneous.*—The provision as newly made for the pay of the cattle-pound mutsaddi sanctioned for six months in Proceedings No. 8688-9—L. F. 270-96, dated 27th January 1900, and of the charges for maintenance of the Vani Vilas Water-Works sanctioned in Proceedings No. 9412-4—L. F. 103-92, dated 15th February 1900, are passed.

10. The other items call for no remarks and are passed.

11. The revised budget estimates of the Mysore City Municipality for 1899-1900 are sanctioned as per details given in the accompanying appendices of which an abstract is given below:—

2. *I. Octroi.*—The increase under this head is due to the fact that the estimate entered in the present budget of Kolar relates to a period of twelve months instead of only to a portion of the year as in 1899-1900. The estimate is passed.

3. *X. Miscellaneous.*—The absence of an estimate under "(b) Loans" against which Rs. 5,000 was entered in the budget of Kolar for 1899-1900 accounts for the decrease under this head. The estimate is approved.

EXPENDITURE.

4. *II. Head Office.*—The usual provision on account of contribution towards the cost of establishments maintained in the Dewan's and Comptroller's offices has been omitted, and correct amounts entered in the present budgets on account of the establishment in the President's office. The provision is allowed.

5. *III. Collection (a) Octroi.*—The increase under this head is due to provision made for twelve months in the budget of Kolar on account of the salaries of the temporary establishments instead of for six months as in 1899-1900. The provision is retained.

6. *IV. Conservancy.*—The variations proposed under this head are shown in the margin. The decrease in the budget of Kolar is due to the omission in the present budget of the provision made in the budget for 1899-1900 for the pay of six temporary scavengers sanctioned for six months. The other items providing for increases to existing establishments appear to be necessary and are allowed to stand.

Municipality.	Minor head.	Variation proposed. Rs.
1. Kolar ...	... 7 Scavengers ..	— 252
2. Bowringpet	... 1 Daroga ...	+ 12
3. Sidlaghatta	4 Sweeper ...	+ 100
	Hire of conservancy carts	+ 50

7. *VII. Lighting.*—The budgets of Chintamani and Chikballapur provide for lighting additional lamps, which accounts for the increase in the estimate under this head, which is passed.

8. *IX. Charitable Grants.*—The authority under which the new item of Rs. 30 is proposed on account of dieting charges in each of the budgets of Kolar, Bowringpet, Chintamani, Mulbagal, Sidlaghatta, Chikballapur and Malur requires explanation, pending which the provision will stand.

The other variations under this head are given below and are approved. It is presumed that the increase provided for the salary of the compounder attached to the Local Fund dispensary at Bowringpet is on account of the annual increment due to him in accordance with Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896.

READ AGAIN—

Government Proceedings No. 3192-200—R. 1022, dated 27th October 1899, revising the heading for Weekly Season Reports which are published in the *Mysore Gazette.*

Read the following papers, *viz.*, Official Memorandum, from the Secretary to the Government of Mysore, General and Revenue Departments, No. 3201—R. 1023, dated 27th October 1899, to the Director of Meteorology in Mysore, and the latter's reply contained in his letter No. 715, dated 2nd May 1900.

OFFICIAL MEMORANDUM.

The week for the purposes of the Weekly Season Reports published in the Government *Gazette* every Thursday being defined in Government Proceedings No. 3192-200—R. 1022, dated 27th instant, it is a question whether the average of previous years with which the week's rainfall is compared, should be the average of three years as at present, or the average of 12 or 10 years. The average of 11 or 12 years would probably be nearer the normal than that of three years. To take 10 years instead of 11 or 12 may not make much difference and would be arithmetically more convenient. The views of the Director of Meteorology are requested on this point.

REPLY.

With reference to Government Order No. 3201—R. 1023, which I regret not to have replied to earlier, I have the honor to say that a three years' average is not satisfactory to estimate rainfall by and that it is most important that the average should be for at least ten years, or as many years as reliable statistics are available for.

No. 8670-S—R. F. 28-99, DATED BANGALORE, 18TH JUNE 1900.

ORDER THEREON—The average of previous year's rainfall required for a week's Season Report being but an average for comparison for administrative purposes, Government are of opinion that the average for the ten years immediately preceding the year of report will be suitable and sufficient. This should be adopted with effect in and from the Season Report for the week ending 8th September next by which time it is hoped the District and Taluk offices will be able to get up the required calculations.

The following communications in reply to Government Order No. 4900-904—213-92, dated 11th January 1900:—

(1) Letter No. 3633, dated 20th January 1900, from the Comptroller, reporting that during the year 1898-99 he inspected the Mysore District Treasury on the 21st June 1899.

(2) Letter No. D-712, dated 2nd February 1900, from the Deputy Commissioner, Bangalore district, reporting that the omission to inspect twice the Taluk Treasuries of Channapatna, Dodballapur, Kankanhalli and Magadi in 1898-99, was mainly due to the prevalence of plague in all the taluk kasba towns, the time and energy of the Assistant Commissioners being fully taken up with duties connected therewith and to frequent changes of these Officers, and adding that the omission has been pointed out to the Divisional Officers to prevent a recurrence.

(3) Letter No. 520, dated 3rd February 1900, from the Deputy Commissioner, Kadur district, reporting that the explanation of the Assistant Commissioner Mr. Ramaswamy Iyengar for not inspecting twice the Taluk Treasuries of Mudgere and Koppa and not even once the Taluk Treasury of Chikmagalur, in 1898-99, namely, that he had heavy work is not tenable and the explanation for the omission in the cases of the Kadur and Tarikere taluks has to be obtained from the Assistant Commissioner, Mr. K. R. Srinivasiengar, now in the Bangalore district.

(4) Letter No. 622-590, dated 5th March 1900, from the Deputy Commissioner, Chitaldrug, explaining that his omission to inspect twice the Taluk Treasuries at Challakere and Molakalmuru in 1898-99 was due to the plague work which necessitated frequent travels only towards Harihar and Davangere.

(5) Letter No. 631, dated 10th March 1900, from the Deputy Commissioner, Hassan district, reporting that the omission to inspect twice the Taluk Treasuries at Arkalgud, Channarayapatna and Hassan in 1898-99 was due to paucity of Officers, their frequent transfers, and to the plague, and other urgent duties on which they were engaged.

(6) Letter No. D-1130, dated the 25th May 1900, from the Deputy Commissioner of the Bangalore district, submitting Mr. Assistant Commissioner K. R. Srinivasiengar's letter No. 297, dated the 21st instant, stating that he was not aware that an Assistant Commissioner in charge of taluks was the Officer expected to do the inspection of the Treasuries of those taluks, that he had received no orders on the subject of such inspection, and that he was under the impression that this work had to be done by the District Treasury Officer or by the Jamabandi Officer.

No. 8582-90—R. F. 213-92, DATED BANGALORE, 1ST JUNE 1900.

ORDER THEREON—Recorded.

2. It is hoped that the Standing Orders on the subject of the periodical inspection of Taluk Treasuries will be strictly given effect to everywhere in future.

3. The inspection of Taluk Treasuries has to be done by the "Deputy Commissioner or one of his Assistants" (*vide* Proceedings No. 8547-55—R. F. 213-92, dated the 11th December 1892). The Deputy Commissioners of districts should, in future, draw up at the beginning of every year a programme showing the distribution of the work of inspection, and communicate the same for the information and guidance of the Assistant Commissioners concerned.

Letter No. 2819—135, dated the 26th February 1900, from the Conservator of Forests in Mysore, submitting budget estimates of the Khedda Department for the year 1900-1901

No. 8610-11—FT. F. 52-95, DATED BANGALORE, 2ND JUNE 1900.

ORDER THEREON—The total receipts are estimated at Rs. 25,400. Taking into consideration the actuals of the two previous years, the estimate under "Sale of elephants" for 1900-1901 appears to be rather high. The last year's estimate, namely, Rs. 16,000, will therefore be retained under this head. No details are given for receipts under "Miscellaneous items."

2. The total expenditure is estimated at Rs. 19,500 against Rs. 25,000 for 1899-1900. The decreases are mainly under "Up-keep of elephants," "Elephant attendants" and "Elephant establishment."

3. With the foregoing observations, the budget estimates are passed and forwarded to the Comptroller for incorporation in the Provincial Budget.

Report submitted by Mr. J. L. Pigot, Conservator of Forests in Mysore, on the Forest Administration of the State for the year 1898-99.

No. 8769-8808—Ft. F. 13-99, dated Bangalore, 25th June 1900.

Order thereon—*Touring of Forest Officers.*—Colonel Campbell Walker, who was in charge of the Department up to the 3rd January 1899, was on tour for four months during the year under report and inspected the forests of the Bangalore, Mysore, Hassan and Kadur districts; and Mr. J. L. Pigot, who succeeded Colonel Walker toured until the end of February through portions of the Chitaldrug, Shimoga, Kadur and Hassan districts.

2. *Area of Forests.*—The forest areas dealt with are composed of 1,747 square miles of State Forests finally settled and 265 square miles of reserved lands.

3. The State Forests were extended by the addition of 202 square miles and the reserved lands by 27 square miles.

4. The undermentioned jungles were constituted as State Forests:—

Kolar	... Narasimhadevarabetta (Block IV)	...	20¼ square miles.
Mysore	... Bandipur	...	35 do
	Berambadi	...	102¼ do
	Moyar	...	23½ do
Kadur	... Muthodi extension	...	18 do
	Kagemanegiri	...	12 do
			201¼

The progress of settlement during the past three years was as follows:—

Years.	Square miles.
1896-97	... 1,370
1897-98	.. 1,545
1898-99	... 1,747

5. *Demarcation.*—One hundred and twelve miles of new lines were cut and 125¾ miles repaired at a total cost of Rs. 1,980; and the total amount adjusted under this head was Rs. 9,693-4-3.

6. *Surveys.*—About 166¼ miles were surveyed at a cost of Rs. 3,447.

7. *Prosecutions for Breaches of Forest Rules.*—Out of 274 cases involving 559 persons, convictions were secured in 218 cases against 408 persons, 50 cases against 141 persons resulting in acquittal. There were six cases pending at the close of the year. The percentage of convictions to the total number of cases instituted was 79·58 against 73·14 in the year previous.

8. *Injury to Sandal Trees.*—The total number of cases for enquiry by the Revenue Department was 119 of which only 37 were disposed of, leaving a heavy balance of 82 cases. The amount of fines recovered was Rs. 1,142 against Rs. 1,240. Out of the heavy balance of 82 cases, 66 cases are reported to be pending in the Hassan district alone. The Deputy Commissioner is requested to see to their early disposal. It is further observed that 38 cases are pending with the Deputy Commissioner himself. The matter calls for very early attention. The Revenue Department should give all the help necessary to the Forest officials to facilitate the detection of cases of injury to sandal trees.

9. *Protection from Fire.*—The area actually protected was 1,368 against 1,323 square miles at a cost of Rs. 13,279. The percentage of success was 95 against 83 and the average cost per acre attempted was 2·77 pies.

10. *Artificial Re-production.*—The number of plants set on new ground was 112,184, while 60,003 vacancies were filled up, the total expenditure under plantations being Rs. 17,165 against Rs. 20,058.

11. *Experiments.*—In Bangalore, 3,487 suckers of the hemp plant (*Agave rigida var. sisulana*) planted out in the Peenya plantation were reported to be thriving. *Eucalyptus fostrata* in Tumkur is reported to have passed the stage of experiment. In Shimoga, the rhea and divi-divi plants set last year are reported to be thriving. The *Swietenia macrophylla* and *Cryptostegia grandiflora* plants grown from seed are reported to be doing well. From Hassan it is stated that, as an experiment, 9,070 cardamom were planted over 8 acres of Nadatoppalu.

12. *Gross Yield and Outturn of Forest Produce—Timber.* The total quantity cut in forests was 300,750 cubic feet against 190,844 cubic feet, the quantity carted to depots being 287,456¾ against 203,926½ cubic feet. The cost incurred and adjusted was Rs. 74,774 or Rs. 17,880 more than in the previous year. The sales in the Government depots fetched Rs. 1,01,904 against Rs. 1,66,251, the quantity of timber disposed of being 153,466¼ against 228,401 cubic feet.

13. *Sandal-wood.*—There was on hand 441 tons of rough sandal at the commencement of the year. This was augmented by the collection of 4,311 tons during the year; 3,306 tons were worked up which yielded 1,721 tons of good wood, 447 tons of inferior wood and 780 tons of white chips. The wastage and driage amounted to 356 tons or 10·8 per cent against 12·03 per cent in the previous year and 10·21 per cent in 1896-97. Every 100 tons of wood assorted gave on an average 19·86 against 22·08 per cent of class billets. The average cost per ton of assorted wood was Rs. 22·4 against Rs. 22·8 in the previous year.

14. The quantity sold was 2,073¾ against 1,572 tons, and the amount realized Rs. 7,89,760 against Rs. 60,71,152. The average value per ton was Rs. 381 or Rs. 5 less than in the previous year.

15. *Minor Forest Produce.*—There was a large decrease of Rs. 39,446 under this head, which is mainly due to the fact that the crop of gall-nuts was below the average, and especially to the falling off in the sales of tanning barks.

16. *Free Grants of Forest Produce.*—Timber and bamboos to the value of Rs. 1,912-5-0 were given free in the cases of houses destroyed by fire and for village chavadies.

17. *Financial Results.*—The gross revenue amounted to Rs. 12,25,232 of which Rs. 11,82,493 were collected, leaving a balance of Rs. 43,039 at the end of the year.

18. The gross expenditure was Rs. 4,81,588 against Rs. 4,30,893 in the year previous showing a net increase of Rs. 50,695.

19. The year's surplus amounted to Rs. 7,00,558 against Rs. 6,66,348 and Rs. 4,90,160 in 1896-97.

20. Compared with the actual receipts, the total expenditure bears a percentage of 40·73 against 39·27.

21. *Kheddas.*—There were no elephant captures of any kind during the year. The number of captured elephants on hand was 11 and kumkis 19. The kumki elephants are reported to have been employed on timber dragging.

22. The receipts amounted to Rs. 4,839 and the total expenditure to Rs. 18,340, thus showing a deficit of Rs. 13,501.

READ THE FOLLOWING PAPERS—

Letter No. 3881—506, dated the 23rd May 1900, from the Conservator of Forests in Mysore.

I have the honor to state that in connection with the Subject No. 236 of the Dasara Assembly of October 1897, the District Forest Officer, Shimoga, proposed in No. 603, dated 15th ultimo, and the Deputy Commissioner generally concurred in the disafforestation of the Halesorab Sandal Reserve Plantation. Colonel Walker after inspection fully recorded his reasons for abandoning this plantation, *vide* extract from his Inspection Memo herewith submitted. I agree with my predecessor and submit the accompanying Draft Notification for approval and publication in the *Gazette*.

(2) Subject No. 236 of the Dasara Representative Assembly Proceedings of 1897.

Summary of Discussion.—A plantation at the village of Kalenhalli of the Shikarpur taluk was started some years back. Lands allotted for grazing purposes were also included in it, thereby causing much inconvenience to raiyats. The Government derive no benefit from the plantation. There is reason to believe in the existence of several other such cases. Enquiries may therefore be made as to which of the plantations are profitable to Government and which not; those which cause inconvenience to raiyats without any real advantage to Government may be abandoned and assigned for grazing.

Reply of Government.—Referred to the Deputy Commissioner, before whom the matter appears to be pending. His report will be awaited. Other specific instances, if any, may be brought to his notice with a view to the necessary enquiry being made.

(3) Extract from Colonel Walker's Inspection Note, dated 12th March 1897.

Halesorab is another Sandal Reserve about 2½ miles north of Sorab. The area originally notified in 1892 was 100 acres, and 55 acres have since been added. A trench has been dug round the reserve and dibbling operations carried on since 1890, recent enumeration showing about 9,500 as surviving. This reserve is situated in the midst of district forest with heavy shade in places; in fact it is semi-evergreen with scarcely any natural sandal in the neighbourhood. The adjoining villagers strongly object to the reservation which should, I consider, be cancelled and the area allowed to revert to district forest.

No. 8870—Ft. F. 36-95, DATED BANGALORE, 28TH JUNE 1900.

ORDER THEREON—Government are pleased to direct the disafforestation of the Halesorab Sandal Plantation as recommended by the Conservator of Forests, and the publication of a Notification, as hereunder, in the *Mysore Gazette*.

The following letter No. 4086—42, dated the 12th June 1900, from the Conservator of Forests in Mysore.

With reference to Government Order No. 3763-71—Ft. F. 9-99 of the 17th November 1899, I have the honor to report that from the replies received from the Deputy Commissioners it appears that glass-smelting for the manufacture of bangles is carried on to a limited extent only in the districts of Kolar, Chitaldrug and Shimoga. The prevailing practice in Kolar is diverse, the manufacturers in Sidlaghatta and Bagepalli getting their supplies of firewood and charcoal on payment, while those in Srinivaspur obtain it free from village forests. In Shimoga, they purchase the requisite quantity from Lambanees who cut and remove firewood by head-loads from District Forests free of seigniorage. Not only the Deputy Commissioners of these districts but also those of other districts propose the extension of the concession to glass-smelters.

2. Under these circumstances, I beg to recommend that, until further orders, Mohatarfa-paying glass-smelters in other districts may likewise be exempted from the payment of seigniorage on firewood and charcoal cut or burnt in District Forests for the manufacture of glass bangles.

No. 8980-88—Ft. F. 9-99, DATED BANGALORE, 30TH JUNE 1900.

ORDER THEREON—The Conservator's recommendation is approved.

2. A Notification as hereunder will be published in the *Gazette*.

It is hereby notified, for general information, that until further orders, Mohatarfa-paying glass-smelters in the Mysore State will be exempted from the payment of seigniorage on firewood and charcoal cut or burnt in District Forests exclusively for the manufacture of glass bangles.

PETITION

Proceedings of the Government of Mysore,

Appellant	*versus*	*Respondent*
Venkatramaniah of Tavarekere, Bangalore taluk.		Gundappa, minor, by guardian Gopaliah.

READ—

Petition of Appeal No. 163—A. S. 11 of 1897-98, presented by the appellant named above against the order of the Deputy Commissioner, Bangalore district, directing the registry of the respondent as shanbhog of the above village and rejecting the claims of the appellant thereto.

2. Correspondence ending with letter No. 646, dated 15th January 1900, from the Deputy Commissioner, Bangalore district, reporting on the above as follows :—

D. No. 646, dated 15th January 1900, from the Deputy Commissioner, Bangalore District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Government Proceedings No. 9755—Pet. F. 15-97 of the 11th April 1898, directing an enquiry into the question of the adoption of the respondent Gundappa by the deceased shanbhog Venkatasubbiah of Tavarekere, Bangalore taluk, and calling for a report thereon, I have the honor to submit herewith the records of the enquiry held by Assistant Commissioners Messrs. B. Cuppusami Naidu and P. Sitaramiah, together with the latter Officer's memo, dated 5th August 1899, in which he has come to the conclusion that the adoption of Gundappa has not been satisfactorily proved. Excluding the oral evidence adduced on both sides which is likely to be interested, and therefore unreliable, the documentary evidence in support of the adoption consists of a sale deed executed by one Karianna in favor of Gundappa in 1890 wherein Gundappa is designated as the adopted son of Venkatasubbiah and a statement made by the deceased before the Amildar on 1st December 1896, wherein he refers to the respondent as his adopted son. Against these documents the appellant has adduced in evidence two deeds of settlement executed by Venkatasubbiah on 22nd June 1892 and 9th October 1892, respectively, whereby he has conveyed and willed away his entire property to his nephew Gopaliah, natural father of the respondent. No mention of adoption is made in either of these documents, and this fact is adduced by the appellant as a piece of strong evidence against the allegation of adoption. The explanation afforded on the respondent's side for the omission in these deeds of all reference to the adoption is that the respondent was then dangerously ill with no hope of recovery, and that consequently, no mention was made of him in the deeds. This explanation seems to me to be strained and improbable. The mention of the name of Gundappa, as the adopted son of Venkatasubbiah, in a sale deed executed by Karianna, loses its force when it is considered that this same land is included in the property willed away by Venkatasubbiah to Gopaliah on the 22nd June 1892. The omission of all reference to adoption in the latter deed is fatal to the theory of adoption urged by Venkatasubbiah in December 1896 before the Amildar. I therefore concur in the finding of Mr. Sitaramiah that the fact of adoption has not been conclusively proved.

2. It is, however, a question for consideration on general grounds whether the appellant Venkatramiah who is the son of the dismissed shanbhog Puttaiya, should be restored in his father's life-time to his father's office which was forfeited on proof of fraudulent concealment of cultivation—a grave offence.

The facts of the case are as follows :—

The appellant's father (Puttaiya) who had been shanbhog of the village in question was found guilty of fraudulent concealment of cultivation and dismissed the service in 1869 by the Deputy Superintendent, one Venkatasubbiah remotely related to Puttaiya being appointed to the office. This order was confirmed in second appeal by the Chief Commissioner.

2. Venkatramaniah (appellant) applied to Government in 1882 for restoration of the office to him when he was informed that his claims would be considered on the occurrence of a vacancy. This assurance was repeated in 1889.

3. In May 1897, Venkatasubbiah (appointed to the shanbhogi office in 1869) died and the Deputy Commissioner directed the registry of the office in the name of the minor respondent Gundappa, alleged to be the adopted son of the deceased. Against this order, Venkatramaniah has now appealed to Government on the ground that the adoption of the respondent by Venkatasubbiah was not true. The Deputy Commissioner, who was called upon to submit a finding on this point, reports that the adoption has not been proved.

No. 8809—P. F. 15-97, DATED BANGALORE, 25TH JUNE 1900.

ORDER THEREON—The family of appellant has been kept out of the office for more than 30 years, which may be regarded as sufficient punishment for the offence committed by appellant's father. In 1882 and again in 1889, the Government held out hopes to the appellant of a consideration of his claims on the occurrence of a vacancy. The vacancy having occurred by the death of the officiator appointed in 1869, and the adoption of the respondent by the deceased officiator not having been satisfactorily proved, the Government consider it equitable and accordingly direct that the office be conferred on the appellant.

APPEAL No. 6 OF 1898-99.

Appellants	*versus*	Respondents
1 Muniga.		1 Timma; and
2 Muniakka; and		2 Munivenkata.
3 Annaiya of Sipur, Kolar taluk.		

READ AGAIN THE FOLLOWING PROCEEDINGS OF GOVERNMENT:—

READ—Petition of Appeal No. 358 A. S. 6 of 1898-99 by Muniga and Muniakka of Sipur village, Kolar taluk, against the order of the Deputy Commissioner, Kolar district, directing the registry of the talavarike office of the said village in the name of Timma, the first respondent.

(2) Records received with letter No. 1804-487, dated 2nd November 1898, from the Deputy Commissioner, Kolar district.

No. 894—P. F. 10-99, DATED BANGALORE 25TH JULY 1899.

ORDER THEREON—The last holder of the talavarike office of Sipur was one Timma now deceased. Muniakka, the 2nd appellant, is his sister who has married Muniga, the 1st appellant, while the 1st respondent, in whose name the Deputy Commissioner has ordered the registry of the talavarike in question is a cousin of the said deceased. The 1st appellant has, in his deposition before the Amildar as well as in his appeal to Government, based his claim to the said office on his *illatom* adoption by Subba, father of the deceased Timma, regarding which no enquiry has been held by the Deputy Commissioner. Under these circumstances the Government direct that the case be remanded to the Deputy Commissioner for trial of the following issues and for submission to Government of the evidence taken, with his findings, within a month from date of receipt of this order:—

(1) As to whether the 1st appellant was adopted by Subba as his *illatom* son-in-law.

(2) As to whether such adoption took place previous or subsequent to the birth of Timma, son of Subba.

(3) As to whether, after such adoption, Muniga was living with Subba; and

(4) As to the validity or otherwise of the adoption, taking into consideration the custom of the class to which the parties belong as records such adoption.

The Deputy Commissioner is also requested to report whether any service inam is attached to the talari office and who now enjoys the land.

2. Bhaskarappa, Shanbhog of do.
3. Ankathattihalli Chikramanna.
4. Doddakottappa.
5. Thimmaraya.
6. Yerrathimma of Garnahalli.
7. Sivagiri of Kolar.

2. From the statements of 1st, 2nd, 3rd and 4th witnesses it is proved that Muniga was adopted by the late Subba as his *illatom* son-in-law and that this was previous to the birth of Thimma, and that the appellant was living with the said Subba even after such adoption.

3. The parties are of Bedar caste and the statements of 1st, 4th, 5th and 6th witnesses prove that such adoption of "illatom" son-in-law is customary and allowed in their class.

4. The witnesses also prove that the Service Inam land attached to the talari office is under the possession and enjoyment of the appellant Muniga who is said to be living in the house of the said Subba at Sipur village and still doing the duties of the talari office. The respondents are the residents of a different village called Hogari in the Kolar taluk. Neither they nor their father ever lived at Sipur and performed the duties of the said talari office. It is said that their father and the late Subba were divided and therefore lived in separate villages.

5. The evidence adduced by the appellant on all the four issues is decidedly in favor of the appellants.

6. Apart from this, taking the registered deed into consideration which conferred all the movable and immovable property on Muniga (1st appellant) during the life-time of Thimma as a gift *inter vivas* and the appellants' long enjoyment, I cannot consider the respondents as having any claim for the talari office of the Sipur village.

(3) The records of the case.

No. 8851-8—P. F. 10-99, DATED BANGALORE, 27TH JUNE 1900.

ORDER THEREON—It is clearly established that the custom known as that of *illatom* adoption, *i. e.*, affiliation of a son-in-law, prevails among the Bedar class to which the parties belong and that, as a matter of fact, appellant Muniga was adopted accordingly by the deceased Subba. The Deputy Commissioner's order will therefore be reversed and the said Muniga, who is the nearest heir and legal representative of the last officiator (Timma), will be registered as the talari of Sipur village in dispute.
